Motion to approve the Consent Calendar was made by Council Member Blackwelder, seconded by Council Member Carbone. AYES: Council Members Blackwelder, Carbone, Hubler, Kruper, Pendergrass. NOES: None. ABSENT: None. ABSTAINED: None.

AGENDA ITEM 6, CONSIDERATION OF ITEMS PULLED FROM CONSENT CALENDAR

There were no items pulled from the consent calendar.

AGENDA ITEM 7, OLD BUSINESS

- A. The City Engineer updated the City Council on the desalination project, reporting the plant has been completed and looks great. All the pumps have been installed. There are a few plumbing and wiring changes. The design/build contractors have about 2-3 weeks left. Once things dry out from the rain, the parking lot should be completed. He has another meeting with Cal-Am on Friday.

Sand City had originally drilled four wells, where only three had the quality and quantity of water needed. The City has three operating wells, and Cal-Am would like to have four. This maybe an unexpected expenditure and he will have more to report after the next meeting on Friday.

The City Engineer also explained that CDM would like to put a Sand City logo on the building. Staff was asked to work with the City Engineer to get the appropriate artwork to CDM. He also said that he had looked at the 90' outflow line and it looked fine today and no flooding was occurring.

The City Attorney questioned the date construction began and the testing dates in the lease. He asked if we were going to meet the March 31, 2009 completion date. The City Engineer responded that it would depend on the Department of Health and whether they required two weeks of testing or 60 days of testing, or some time in between.

The Mayor asked about what progress is being made on the street work. The City Engineer replied that PG&E was scheduled to move the poles, but with the rain they have not been able to get started.

There was Council discussion on the editorial in the Herald stating that Sand City should be no more. Everyone agreed that all of the positive facts relating to Sand City were not included in the editorial and it should be rebutted.

The City Administrator told the Council that by the next Council meeting he should have an update on the recommended water charge from the consultants, Willdan Financial Services.

Council Member Hubler relayed to the City Council that the Art Committee was working with Sweet Elena's to host an event on March 28, 2009 to showcase the local artists. He also stated that he was very happy that Todd Kruper will be joining the Art Committee, and that the West End event is tentatively set for August 22nd.

AGENDA ITEM 8, NEW BUSINESS

- A. City Administrator Steve Matarazzo presented a mid-year budget review power point presentation beginning with the totals and balances of the combined fiscal years 07-08 and 08-09. The comparison of revenues and expenditures summary illustrates that, between the two years, the combined balance would be a positive \$680,006. The reason to show these two years together is to illustrate that the City/Agency received bond funding in fiscal year 07/08, and a large part of the expenditures were fiscal year 2008/2009.

The City Administrator reviewed another chart that showed the adopted budget for fiscal year 2008-2009 and the amended proposed budget for fiscal year 2008-2009. The first part of the year the City/Agency showed a deficit of \$4,671,850.00, and the amendment before you tonight shows a deficit of \$5,351,856; which is due mostly to the increase in cost for the desalination project. The CDM contract when completed is still about \$2 million less than the other bids that were received by the City for the desalination project. The Carroll Property acquisition is another expenditure increase of \$100,000. There is an additional payment to Educational Revenue Augmentation, (ERAF) for \$117,000 that was imposed by the State. The City Council approved a preliminary budget for fiscal year 2008-2009 in June of 2008. At that time it was anticipated that the upcoming year would see a downturn in sales tax due to the continuing competition from other retailers in the area. We originally predicted a 5% decrease in sales tax revenues. We have changed that to a 10% decrease. Property/Increment tax was estimated to increase about 7 percent. The amended budget shows an increase in interest earned due to the Agency paying the City back interest on debt owed to the City. The operating revenues show a slight increase and operating expenditures show a slight decrease in the amendment. The decrease in expenditures is due partly to the department heads tightening up their departmental expenditures, the contingency funds being reduced, and the records retention project, the new financial software, and the NGEN Radio project being taken out of the budget.

The Mayor stated Sand City has been smart and is using consultants and contract services when possible, and kept an eye on our budgets. He said we have tax-sharing agreements and we are building a desalination plant. The City has come a long way, been very mindful, and making good decisions along the way.

Council Member Kruper commended the staff on the preparation of a very concise and easy to understand budget amendment. The Mayor explained to the Council that the Personnel/Budget Committee had reviewed the amended budget in detail and were recommending approval to the City Council.

1) Motion to approve the City **Resolution** adopting Amendment #1 to the combined City and Redevelopment Agency Budget for fiscal year 2008-2009 was made by Council Member Carbone, seconded by Council Member Blackwelder. AYES: Council Members Blackwelder, Carbone, Hubler, Kruper, Pendergrass. NOES: None. ABSENT: None. ABSTAIN: None. Motion Carried.

2) Motion to approve the Redevelopment Agency **Resolution** Adopting Amendment #1 to the combined City and Redevelopment Agency Budget for fiscal year 2008-2009 was made by Agency Board Member Kruper, seconded by Agency Board Member Hubler. AYES: Agency Board Members Blackwelder, Carbone, Hubler, Kruper, Pendergrass. NOES: None. ABSENT: None. ABSTAIN: None. Motion Carried.

- B. The City Clerk brought to the Council's attention the upcoming events and meetings.

AGENDA ITEM 9, CLOSED SESSION

The City Attorney advised there was no reason for closed session.

- A. City/Agency Board to adjourn to Closed Session to confer with Legal Counsel Regarding existing litigation in accordance with Section 54956.9 (a) of the Ralph M. Brown Act, The Center for Biological Diversity v. Dirk Kempthorne.et.al
- B. Readjourn to Open Session to report any action taken at the conclusion of Closed Session in accordance with 54957.1 of the Ralph M. Brown Act

AGENDA ITEM 10, ADJOURNMENT

Motion to adjourn the City Council meeting was made by Council Member Blackwelder, seconded by Council Member Hubler to the next regularly scheduled Council meeting on March 3, 2009 at 7:00 p.m. There was unanimous consensus of the Council to adjourn the meeting at 7:47 p.m.

Linda K. Scholink City Clerk
