V. OLD BUSINESS

A. Pre-Planning for 2004 West End Event: A discussion on how to involve businesses in the West End Event brought forth the idea for the Arts Committee to send out a letter to ask the businesses to sponsor an artist or to provide a place for a performance. Some Committee members thought to fund the tee-shirts and the Committee would ask for donations in return for placing the business logo on the back of the shirt, thus funding the tee-shirt. Deirdre volunteered to solicit the businesses. Regarding vendors Deirdre requested that the Committee consider the Charter School be invited to participate. The Committee agreed. Todd also offered information on the Culinary School of Monterey who is interested. The Chair reminded the Committee that to be fair to the other local schools, they should also have a chance for a food booth. The Committee felt by consensus to see how this year's event work out and may be invites other schools next year. It was agreed by the Committee to support a group show Friday night at the Sanctuary Rock Gym of local artist that will be having open studios' the next day. Deirdre brought the idea to the table of having films shown during the receptions on Friday night. Todd agreed to look into the cost. Johnny agreed to contact the local artist to see who was going to participate. Todd is to contact Steve Vagnini to book the bands, and to look into vendors for the booze booth. Deirdre was working on the food vendors.

VI. NEW BUSINESS

A. Discussion of Fiscal Year 2004-05 Budget The Chair informed the Committee that there very well might be cutbacks in the budget for the 04-05 fiscal year. But the Budget Committee had not made the' recommendations.

B. Consideration of Attendance to the July 2004 League of California Cities Community Services Conference in Monterey: Deirdre, Jonny and Todd showed interested to attend this event.
