The meeting was called to order by general consensus at 6:10 p.m. in the Sand City Council Chambers.

- I. ROLL CALL  
Present at the meeting was Todd Kruper, Greg Hawthorne, and Heinz Hubler. Absent Brian Gingerich and Debra Nielsen. A quorum was present.
- II. ADDITION OR CHANGES TO THE AGENDA:  
Mural project canceled.
- III. PREVIOUS MINUTES:  
A motion to accept the minutes of March 14, 2001 was made by Greg and seconded by Heinz. Motion carries all in favor.
- IV. NEW BUSINESS:  
None
- V. UNFINISHED BUSINESS:  
A. Survey for Community tabled no report.  
B. Music event update. There was a discussion about what assignments would best fit Board members. Todd presented the Chairs list as follows:  
MUSIC AND STREET EVENTS: Brian  
FOOD VENDERS: Greg  
PR AND POSTER: Heinz  
VOLUNTEERS: Debra  
INFRASTRUCTURE: Todd
- The members that were not present at the last meeting agreed to the assignments. The Chair requested that one of the members present this event to City Council at the next meeting and Greg agreed. The debate continued on what to name this event and Greg brought up the idea of "WEST END EVENT." The committee discussed how this area was being reborn and no longer felt the idea of an "OLD TOWN" was appropriate and that we might approach City Council about this naming. Heinz felt it might be good for just this event.
- VI. ADJOURNMENT:  
Next meeting to be announced. Motion to adjourn was made by Heinz and second by Todd. Meeting adjourned at 6:30 P.M.
