- V. NEW BUSINESS
There was some minor discussion regarding protocol for artists to show in the City Gallery. The goal is to enhance the community's opportunities to show their work; nude figures are discouraged because this is a Council Chambers for public meetings. The Committee approved Catherine's suggestion to display Lisa Faulkner as the next exhibitor. There was some discussion of style, quality, size, frames, etc. of artwork to be displayed. Catherine will inform the artist that the Committee will not pay for shipping, but will hang the show. There was Committee consensus to have Catherine coordinate future exhibits in the Gallery.
- VI. UNFINISHED BUSINESS
 - A. October 19th Music Event Preparation: The following vendors have expressed a desire to participate - Clay Oven, Big Sur Foods, and Gil's Gourmet - and the final participants need to be confirmed. A Sand City one-time business license and Monterey County Health Department certificate is mandatory. The Committee gave consensus to offer tables to the vendors, and there was discussion of placement of each vendor and the band. The event time was changed back to 1:00 - 6:00 p.m. to accommodate the bands. The Committee reviewed the proposed press release and the possibility of an early distribution. The Committee is recommending that the open studios provide small food platters (cheese/crackers) for their visitors. There was discussion of the poster art for the event which Heinz will coordinate with Shell Fisher, and Greg offered an image to be used for the poster, postcards, and t-shirts. Everyone agreed

that the event should stay on the cutting edge and to keep Sand City image new and fresh. Denise reported that she is still awaiting the logo for the t-shirts.
