Item B. End of Summer event

The Committee discussed what could be the next event. Todd suggested a block event having vender and artist under tents with food vender some where in Sand City. Debra brought the point that we might try out side of the City to let people about the new mix of artist and craftsmen in Sand City Old Town. Ideas like a booth at Seaside's "Blues in the Park" with products from Sand City. Also using the Edgewater Shopping Center for a tent or store fount to display the work now being made in Sand City. Then giving out maps or cards to direct the people to the Studios. Some of the booth fee could go back to the local kids some how for promoting Art. Another idea was to have a booth at the Monterey County Fair to promote Sand City Arts and Craftsman. All agreed the Seaside and Sand City Chamber of Commerce should be involved. Todd will make the contact.
