BUSINESS ALARM – EMERGENCY CONTACT

The Sand City Police Department is responsible for responding to alarm activations within the city. Sand City Municipal Code §8.22 states requirements for installing and maintaining security alarms, the most notable requirements being that responsible party information be posted, and that siren sounds are prohibited. This form may be used in lieu of posting responsible parties.

Please download, complete, then email this form to sandcityrecords@sandcitypd.org. The form may also be printed and mailed to us.
