

SAND CITY SLEIGH RACE | DEC 18th 2022

OFFICIAL RULES & REGULATIONS

RACE PREP

Build a sleigh. Each team will procure a sleigh conforming to attached Sleigh Specifications. Race officials inspect all Sleighs before the race. Sleighs that do not pass inspection may march in the parade, but not race. Any questions or disagreements will be forwarded to an event official.

Prizes. Awards are presented for the three fastest race times (1st, 2nd & 3rd), Best Team Costumes and Best Sleigh. Awards are presented immediately following the last race in front of Post No Bills at the Independent Building (600 Ortiz Avenue).

A major award. The Sleigh Cup is the face-off between the three fastest teams from Sand City Sleigh Race preliminary rounds, immediately after all other races have finished.

Select your team. Each race team needs four pushers and one rider. All racers must be 18 or older. Team and parade participants may be all ages, we recommend limiting teams to twelve people.

Protect your people. All racers are encouraged to wear protective gear, knee guards, helmets, etc. All riders are required to wear a helmet during the race.

Be on time. All sleighs, pushers, and riders must be registered and in the parade line up area by 11:30. If you are NOT registered by 11:30 you will be considered a no show and your spot will be given to a wait list team.

Racers must sign. All team members must sign a Hold Harmless Agreement on race day.

ON RACE DAY

Be judged. Sleights and teams will be judged during line-up and from the stage during the parade.

Attend driver meeting. One racer from each team must attend the driver meeting to review rules, regulations, and parade procedures. Teams will be notified of time and place of the driver meeting during check-in.

Gather your team. Racers and teams must stay in line, parade starts at noon sharp.

RACE RULES

No alcohol or drugs. Racers and riders may not be under the influence of any substance. It will be cause for disqualification and/or possible ticketing.

How to line up. All Sleigh Racers must participate in the parade. Sleigh teams will lineup in reverse order of their registration.

Don't throw parade swag. To maintain a safe race course, parade participants and racers may not distribute anything to the crowd during the parade. Any team distributing parade swag will be disqualified.

How the race goes. The race course is approximately 750 feet (230 meters) starting on Hickory St, continuing on Redwood Ave, and ending on Contra Costa Ave. Racing times of each team are recorded as two teams race each other. At the end of the day, the coffin with the fastest overall recorded time is the winner.

Hands on the Sleigh. Three of the four pushers must keep their hands on the sleigh until the sleigh as crossed the finish line and stopped completely. Any sleigh that has less than three pushers in direct contact with the coffin during the race will be deemed "out of control" and will be disqualified. Changing pushers or riders after check in is prohibited.

Stay in your lane.

Pushers and/or sleighs interfering with the other team will be disqualified.

Disputes. Protests may only be made by race competitors and directed to a race official within 10 min. of the completion of the heat in question. Protests must be logical, reasonable, and based on sound evidence. Decisions by race officials are final.

Sleigh Specifications

All sleighs must meet the following specifications. Sleighs will be inspected prior to the race during “tech inspect”. Sleighs not meeting specifications will be disqualified at the time of inspection.

1. The coffin measured at the widest point, including wheelbase and/or handles and push bars, must be between 2' and 3' 10" wide. Length must be between 5' and 8', including handles and push bars. There are no height restrictions for coffins, but decorations over 10 feet tall must be removable. Decorative projections that exceed the maximum width and length of the coffin specifications are not permitted.

2. Four handles must be securely attached to coffin. Push bar on the front or back of the coffin is optional and may be added instead of 2 of the four handles. Ropes are not permitted.

3. Each coffin must have four firmly attached wheels, attached in such a manner that coffin will roll on all 4 wheels when propelled down the race course. Wheels may not exceed 8.25" in diameter, including tires. Wheels must be within the overall dimensions of the coffin. Casters may be used. For safety and steering ability, wheels or casters may rotate or swivel.

4. Functional steering mechanisms are prohibited.

5. Registration number must be visible on the front of your sleigh & the back of your rider.

6. SAFETY IS IMPERATIVE! Race officials may disqualify any coffin they feel is dangerous.
