Vibeke Norgaard, City Manager
City of Sand City
1 Pendergrass Way
Sand City, CA 93955

Dear Vibeke Norgaard:

RE: City of Sand City's 6th Cycle (2023-2031) Revised Draft Housing Element

Thank you for submitting the City of Sand City's (City) revised draft housing element received for review on May 20, 2024. Pursuant to Government Code section 65585, the California Department of Housing and Community Development (HCD) is reporting the results of its review.

The revised draft element meets the statutory requirements that were described in HCD's December 21, 2023 review. The housing element will substantially comply with State Housing Element Law (Gov. Code, § 65580 et seq) when it is adopted, submitted to, and approved by HCD, in accordance with Government Code section 65585.

Public participation in the development, adoption and implementation of the housing element is essential to effective housing planning. Throughout the housing element process, the City should continue to engage the community, including organizations that represent lower-income and special needs households, by making information regularly available and considering and incorporating comments where appropriate. Please be aware, any revisions to the element must be posted on the local government's website and to email a link to all individuals and organizations that have previously requested notices relating to the local government's housing element at least seven days before submitting to HCD.

For your information, pursuant to Government Code section 65583.3, subdivision (b), the City must utilize standards, forms, and definitions adopted by HCD when preparing the sites inventory and submit an electronic version of the sites inventory. While the City has submitted an electronic version of the sites inventory, if changes occur, any future adopted versions of the element must also submit the electronic version of the sites inventory.

Several federal, state, and regional funding programs consider housing element compliance as an eligibility or ranking criteria. For example, the CalTrans Senate Bill (SB) 1 Sustainable Communities grant, Affordable Housing and Sustainable Communities programs, and the Permanent Local Housing Allocation consider housing element compliance and/or annual reporting requirements pursuant to Government Code section 65400. With a compliant housing element, the City will meet housing element requirements for these and other funding sources.

For your information, some general plan element updates are triggered by housing element adoption. HCD reminds the City to consider timing provisions and welcomes the opportunity to provide assistance. For information, please see the Technical Advisories issued by the Governor's Office of Planning and Research at:
<https://www.opr.ca.gov/planning/general-plan/guidelines.html>.

HCD appreciates the hard work and commitment you and your staff provided in the preparation of the City's housing element and looks forward to receiving the City's adopted housing element. If HCD can provide assistance, please contact Mao Lee, of our staff, at Mao.Lee@hcd.ca.gov.

Sincerely,

Paul McDougall
Senior Program Manager
